?????????

5.0 wireless foldable headphone made from ABS material. Connect your smartphone or computer and listen to your favourite music or podcasts wherever you are with these wireless headphones. It has a hands free function and microphone built in, so it can also be used for making phone calls and to attend video calls for work. Fold the headset and take it with you in the 140 gr/m2 cotton drawstring bag. It has a rechargeable Li-Pol battery 200 mAh that results in an approximate playing time of 4 hours when fully charged. Includes micro USB charging cable. Operating range: 10 m.
